

**For Students and Faculty/Staff
ANPIC App / LINE Setup Flow**

Question:
Have you already set up the ANPIC App or LINE on your smartphone (or other device)?

YES

NO

YES

NO

Thanks for completing the setup.
No additional actions are required.
Please keep using the ANPIC App/LINE to submit your safety status.

Have you completed the initial ANPIC registration?

I don't know

Can you receive emails sent to your university-issued email address?

YES

NO

Proceed with the following steps from the "ANPIC Setup Guide": ※
② ANPIC App & LINE Setup

Proceed with the following steps from the "ANPIC Setup Guide": ※
If you pass through "I don't know," please continue from Step 03 of the setup manual.
① Initial Setup
② ANPIC App & LINE Setup

When the ANPIC initial registration site appears, enter your Login ID (Student ID or Personal ID Number)

If... Your Student ID / Personal ID is unknown

If initial registration is already completed, the message "Your password is already registered. Please log in from the login screen." will be displayed.

Did this message above appear?

※The ANPIC setup guide for STUDENTS is available at:
Okayama University Website → Education / Student Life / Employment → Safety Confirmation
https://www.okayama-u.ac.jp/tp/life/safety_conf.html

※The ANPIC setup guide for FACULTY/STAFF is available at:
Campus Staff-only Page → Safety, Health, and Environment → Safety Confirmation
https://pxy-admcms1.a.okayama-u.ac.jp/staff_only/page.php?sec=staff_only_target_2&jpml=anpikakunin

Once you've finished setting up the app and LINE, you're all set. Thanks for your cooperation. Please keep reporting your safety status through the ANPIC app or LINE.

If you do not know your login ID (student ID or personal ID), cannot receive emails sent to your university email address, do not remember your password, or cannot complete the initial setup process, please contact us through the ANPIC inquiry form. <https://forms.office.com/r/cq3UZL8333>

— you're all set!

Make sure to complete the email + App/LINE setup!
