

STOP !

Fraudulent Use of Research Funds

To Everyone who is employed by Okayama University
(TA,SA,RA,Part-timer,Tutor etc.)

Most of the public research funds are bestowed upon the university through funding directly from the public tax funds. Therefore if the public research funds that are supported by social trust and responsibility should be spent inappropriately, our trust would be completely destroyed.

We are making efforts to enhance environments that Fraudulent Use of Research Funds wouldn't be caused through dealing with strictly.

Please be careful to avoid the following misuse and manage your salary appropriately.

Ex.1
Kara Salary

Paying salary based on fictitious or fraudulent work hours.

Ex.2
Refund of Salary

Making graduate students refund their fictitious salary to run the laboratories.

Ex.3
Fraud Report

Paying salary based on false report about work hours or objectives.

Those who engage in above frauds will be punished strictly.

◆ CONSULTATION DESK concerning fraudulent use of research funds

Please contact us or department office you belong to if you are requested by staffs to engage in frauds such as false documentation or fraudulent use et c.

- ◆ You wouldn't be disadvantageous due to your internal report.
