

健康診断書の発行について (English follows Japanese)

About the issue of Health check-up Certificate

Only who underwent a Health check-up here, you can get a certificate.

◎By the issuing machine

You can get a certificate by the issuing machine in the campus from June 27th, 2025 to March 25th, 2026. (Those who will graduate on March 2026, you can get it by March 24th, 2026.)

Note:

Even if you take a re-examination because of your abnormal results, you will get a certificate with abnormal results by the machine. If you would like to get it with good results (after re-examination), please come to Health Service Center.

◎By coming to Health Service Center

We need the application for issue of certificate. We will start to accept the application on May 19th, 2025. You can pick it up after May 26th, 2025.

If you submit the application after June 27th, 2025, you can get a certificate 2 days later. (excluding Saturdays, Sundays and National holidays)

You can get a certificate until March 31th, 2026. Those who will graduate can get it until March 24th, 2026.

Note:

It will take 2 weeks for the issue of English certificate and vaccination, antibody test certificate.

If you would like to get these certificates, please contact us as soon as possible.

If you have any question, please contact us.
