Radio Message from International Students (World Heartful Message)

Okayama University was broadcasted an internet radio program in which international students who have come to study at Okayama University from countries all over the world talked on topics such as their life as international students, what it is like to live in Okayama City, and their research themes. The broadcasts were produced in English or the native languages of the students.

Ms. IRSAN Raina Mentari of Discovery Program for Global Learners from Republic of Indonesia talked about her research and plans for the future.

◆ About Okayama University

Okayama University is one of the largest comprehensive universities in Japan with roots going back to the Medical Training Place sponsored by the Lord of Okayama and established in 1870. Now with 1,300 faculty and 13,000 students, the University offers courses in specialties ranging from medicine and pharmacy to humanities and physical sciences. Okayama University is located in the heart of Japan approximately 3 hours west of Tokyo by Shinkansen.

Hirofumi Makino, M.D., Ph.D.
President, Okayama University
