# Japan Club

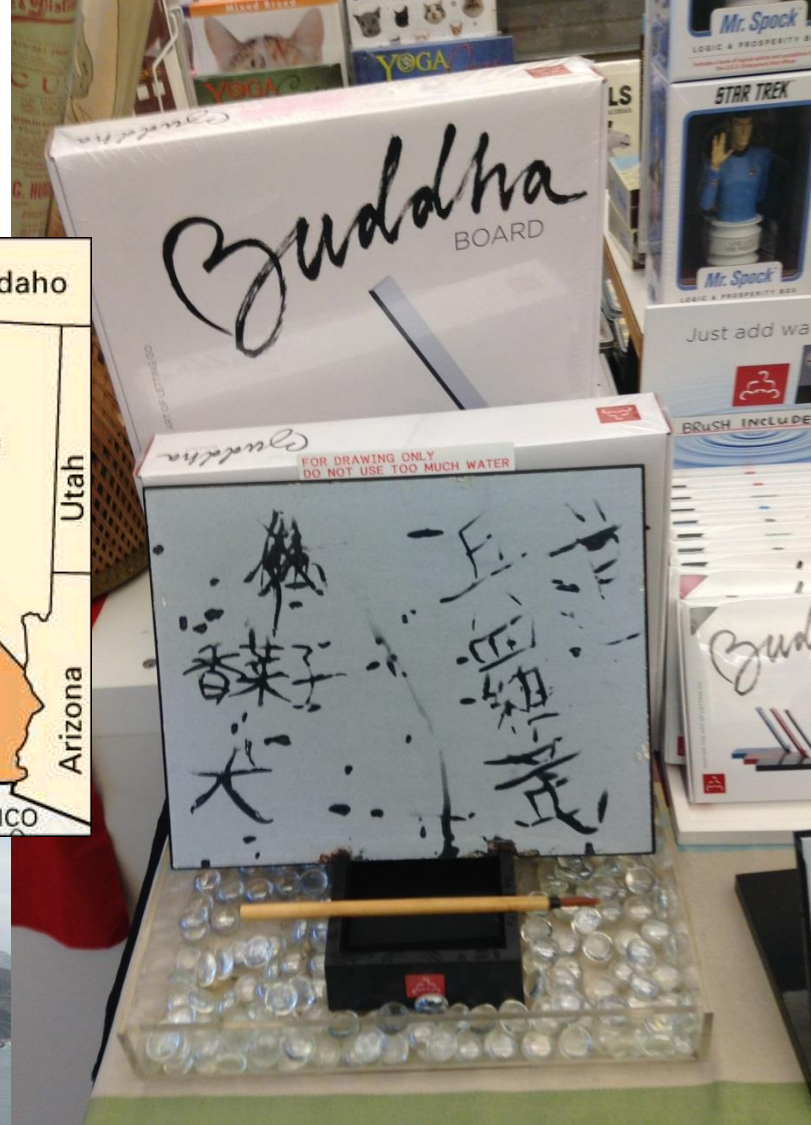

# Greetings from California

# Trips

# San Francisco

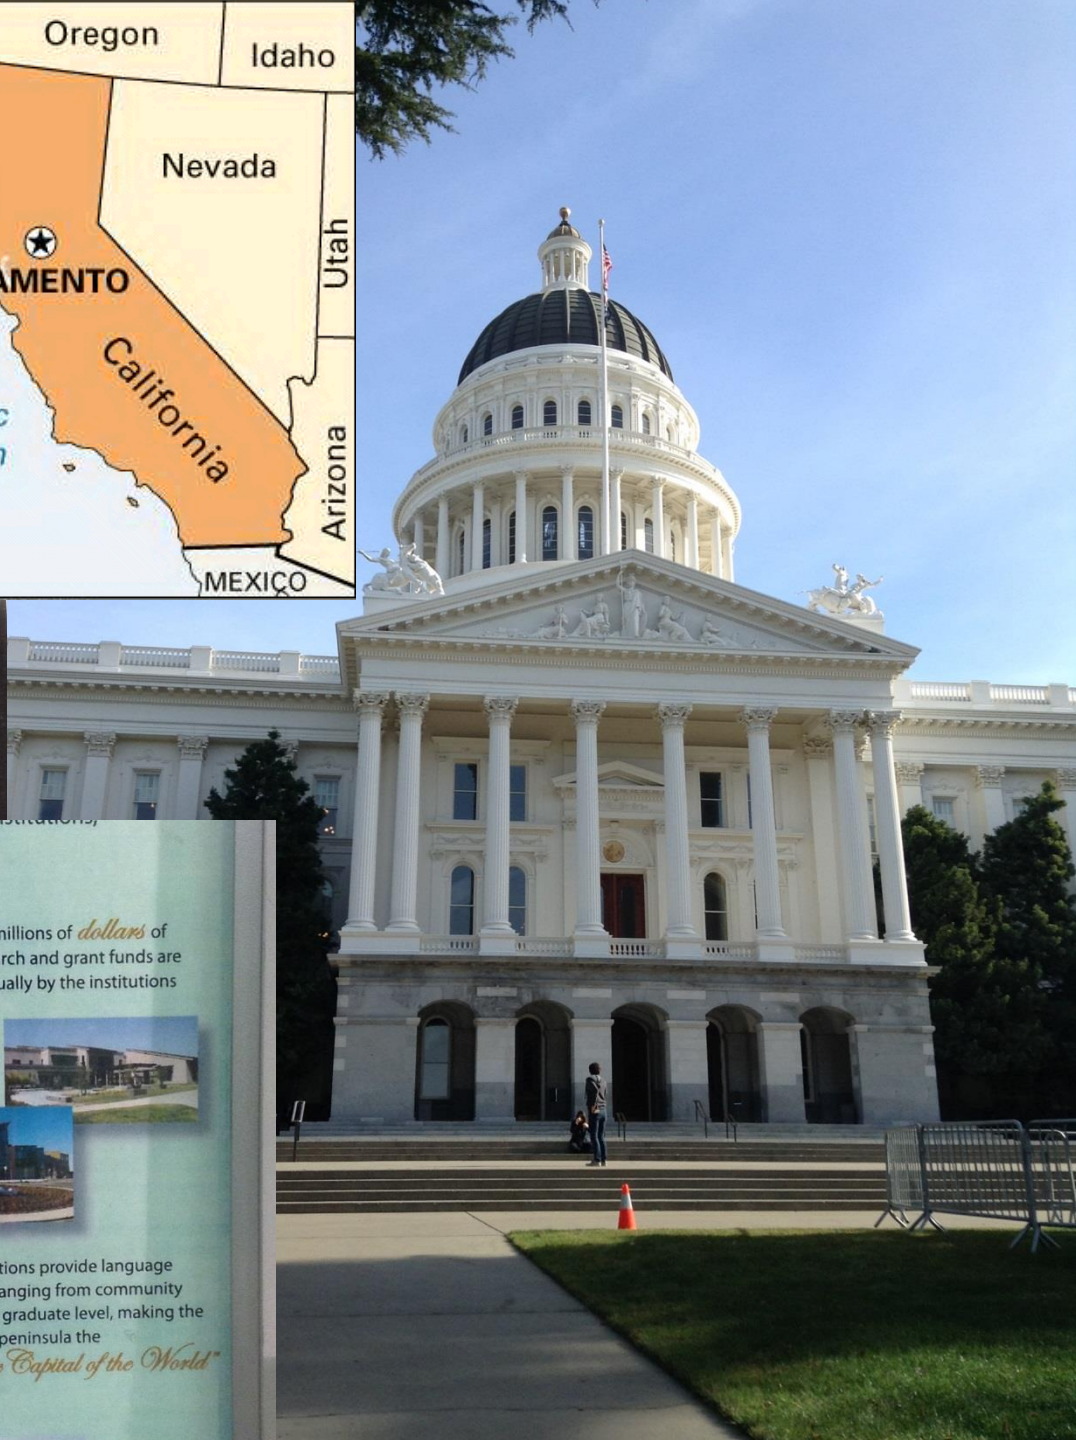

# San Diego

# With My Roommate

# Sacramento

Specialized military institutions, organizations.

Hundreds of millions of *dollars* of combined research and grant funds are generated annually by the institutions

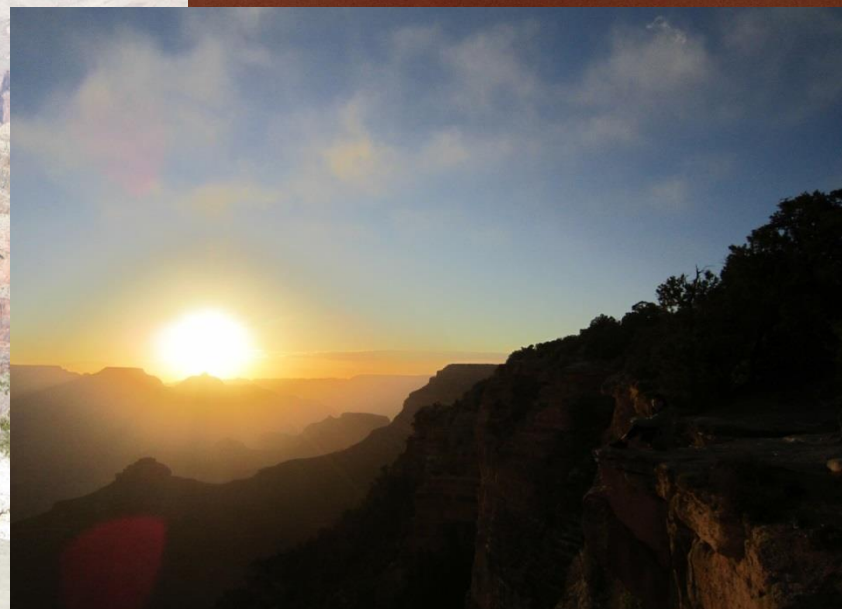

Six institutions provide language programs ranging from community college to the graduate level, making the peninsula the *"Language Capital of the World"*

# With My Suitemate

# Grand Canyon

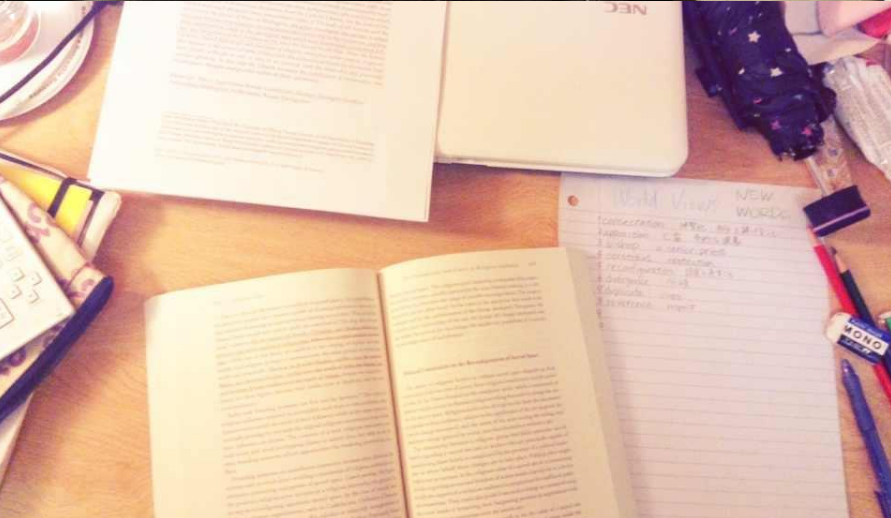

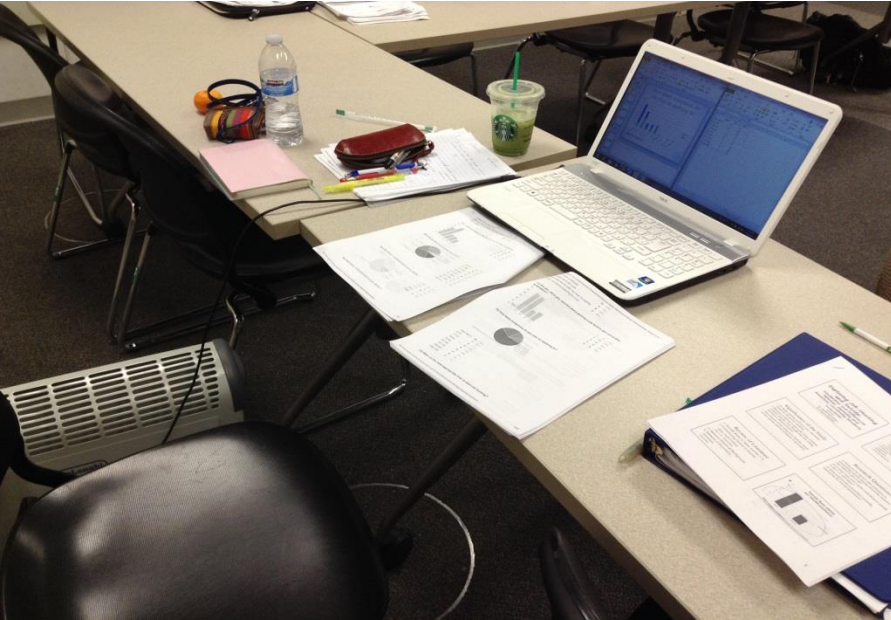

# What I Have Learned from My Study Abroad

# Japanese Network

# The Balance between Study and Party

Thank You!! :D
