

Instructions for Completing the Evaluation Report

The Evaluation Report must be completed by the school principal, a career guidance counselor, or a Japanese language instructor at the applicant's current or former school regarding the applicant's academic performance and personal character.

You may complete the form electronically; however, the "Signature" section must be signed by hand in black ballpoint pen. Additionally, please be sure to use only this form and complete it in either Japanese or English.

*Please note that a Japanese translation is not required if the form is completed in English.

*Please do not attach any other form.

Academic performance

Please provide your assessment as specifically as possible, regarding the applicant's strengths and weaknesses in academic subjects as well as the applicant's initiatives, planning skills, perseverance, and creative thinking skills in academia.

When preparing an Evaluation Report for an applicant for the Faculty of Medicine, Medical School, please do not include IB scores in the form.

Personal character

Please provide specific examples that demonstrate the applicant's qualities that reflect the applicant's personality, hobbies, special skills, lifestyle, teamwork ability, communication skills, and achievements.

Additional information

Please enter any additional information in the space provided.
