

Okayama University Safety Confirmation System "ANPIC"

This is the system to collect the safety status of students and faculty members immediately when disasters happen. The contact address can be changed for your preferred email address, smartphone app, or LINE app. **All students are required to register on this system.**

You can do the initial setting from here:

※Please be sure to set the initial settings in case disaster strikes so that you can report your safety.

Initial Setup Guide (app/LINE setting)
