

A Message to the Residents of Okayama Prefecture (August 1, 2020 – August 31, 2020)

- 1. Please refrain from visiting cabaret bars and host clubs that do not adhere to the disease control guidelines.**
- 2. For those who are returning home, before doing so, please spend around two weeks refraining from entering areas where The Three C's may occur, such as nighttime downtown areas.**
- 3. After returning home, please be especially careful when meeting with senior citizens by shortening your time spent with them.**
- 4. We ask that senior citizens avoid crowds when going out. Please make supermarket visits during less crowded hours of the day.**
