

About the issue of Health check-up Certificate

Only those who have undergone a health check-up at our center can receive a certificate.

<https://hokekan-an.anei-k.okayama-u.ac.jp>

Certificates can be issued between June 26, 2026 and March 25, 2027

(*Graduating students: until March 24, 2027*).

Note:

Even if your initial results are abnormal and you undergo a re-examination, the certificate will still reflect the original abnormal results.

If you would like a certificate that reflects the results after your re-examination, please consult the Health Service Center.

©By the issuing machine

Certificates can be issued from June 26, 2026 to March 25, 2027

(*Graduating students: until March 24, 2027*).

Note:

Even if you take a re-examination because of your abnormal results, you will get a certificate with abnormal results by the machine. If you would like to get it with good results (after re-examination), please come to Health Service Center.

©By Visiting the Health Service Center

Applications will be accepted from May 18, 2026 to March 26, 2027.

Certificates will be available from May 25, 2026, and generally two business days after application (excluding weekends and national holidays).

Graduating students may apply and receive certificates until March 24, 2027.

Note:

Issuance of an English certificate or certificates for vaccination / antibody tests may take up to two weeks.

If needed, please contact the Health Service Center as early as possible.

If you have any question, please contact us.
