

## The flow from making a reservation to vaccination day (For those who are registered residents in Okayama prefecture)

Make a reservation for first dose via reservation system

You will receive an email attached an application form (excel file). (The application form is needed to prepare a medical history at Okayama University Hospital.)

Please fill out the application form and return it. Also, please tell them whether you would like to use a shuttle bus or not in that email.

On the vaccination day;  
Bring the following and go to the Okayama University Hospital General Triage Station.

1. Japanese Insurance Card
2. Information mail of HPV vaccination from municipal office (If you received)
3. Your vaccination history

Those who applied to use the shuttle bus should gather in front of the Health Service Center on Tsushima campus 30 minutes before the reserved time.

Get vaccinated

No payment

You can use shuttle bus to the Health Service Center on Tsushima campus.
