

2021 Mitsubishi Corporation International Scholarship Application & Recommendation Requirements

Japan Educational Exchanges and Services (JEES), with the support of Mitsubishi Corporation (Takehiko Kakiuchi, President and CEO), is pleased to offer the 2021 Mitsubishi Corporation International Scholarship (hereinafter "Scholarship") to applicants based on the following requirements.

1. Purpose

The Scholarship is intended to provide support to outstanding foreign students who are studying at Japanese universities and graduate schools at their own expense. It is hoped that this will both help alleviate the financial concerns and enhance the learning effectiveness of the recipients.

2. About the Donor

The donor of the Scholarship, Mitsubishi Corporation※, hereinafter referred to as "the Scholarship Donor", is providing the Scholarship in an effort to promote international and intercultural exchange with foreign countries and to foster the development of talented individuals. The basis for this is Mitsubishi Corporation's Three Corporate Principles which are "Shoki Hoko (Corporate Responsibility to Society)," "Shoji Komei (Integrity and Fairness)" and "Ritsugyo Boeki (Global Understanding Through Business)."

※ Mitsubishi Corporation is a global integrated business enterprise that develops and operates business together with its offices and subsidiaries in approximately 90 countries and regions worldwide, as well as a global network of around 1,700 group companies. (Mitsubishi Corporation Website: <https://www.mitsubishicorp.com/jp/en/about/>)

※ The Three Corporate Principles - Formulated in 1934 as the action guidelines of Mitsubishi Trading Company (Mitsubishi Shoji Kaisha), based on the teachings of Koyata Iwasaki, the fourth president of Mitsubishi. The principles are the cornerstone of Mitsubishi Corporation's wide range of corporate philanthropy activities conducted all over the world.

• Shoki Hoko - Strive to enrich society, both materially and spiritually, while contributing toward the preservation of the global environment.

• Shoji Komei - Maintain principles of transparency and openness, conducting business with integrity and fairness.

• Ritsugyo Boeki - Expand business, based on an all-encompassing global perspective.

3. Eligibility Requirements

Only applicants who meet all of the following criteria will be considered:

- (1) A student with citizenship of a country other than Japan and who is paying their own expenses. Someone who intends to study in Japan as an official undergraduate student, graduate student or doctoral student of University designated by JEES as of April 2021. Application Deadline : Tuesday, January 5, 2021
All application materials must be submitted to International
Department office by this date.

10. Announcement of the Results

The President will review the application and recommendation materials submitted through the Recommendation Process described in Article 7.(2) and will select the recipients. Results will be announced through the universities in around late March 2021.

11. Scholarship Payments

Scholarships will be paid through the recipient's university via a method to be determined at a later date.

12. Duties of the Recipient

- (1) A Scholarship recipient (hereinafter "Recipient") must submit a report detailing the status of his/her studies or research during the Scholarship period to his/her university head at the end of the school year in a format provided by JEES.
- (2) Recipient must send in a notice by the specified format to JEES through the university when he/she changes status of school registration.
- (3) Recipient must send in a notice by the specified format to JEES through the university when he/she changes address and contact information during the Scholarship period. After the Scholarship period, he/she must send in a notice directly to JEES (format not fixed).
- (4) Recipient must submit a report on the status of his/her career after graduation by the specified format to JEES when graduating from the university.
- (5) Recipient, upon request of JEES or the Scholarship Donor, will answer questionnaire surveys during and after the Scholarship period.
- (6) Recipient will participate in an exchange event (once a year) .

13. Suspension, Termination, and Cancellation of the Scholarship

- (1) The Scholarship will not be paid if a Recipient is absent from classes for an extended period of time (over one month). If the Recipient submits an application for recommencement by a fixed format, after the reason of such absence has ceased, recommencement may be considered during the scholarship period stated in Article 6. The scholarship period will not be extended.
- (2) If a Recipient falls into any of the following states, provision of the Scholarship will be terminated:
 - a. graduates, withdraws, expelled, suspended, takes an extended leave of absence from school or repeat the same year (including equivalent cases).
 - b. plans to go abroad for six months total or longer during receiving scholarship regardless of whether it is on the leave of absence or not.
 - c. failure to fulfill duties of the recipient stipulated in Article 12.
 - d. no longer fulfills all of the Application Requirements.
 - e. engages in any other conduct which is deemed unacceptable.
- (3) If the donation from the Scholarship Donor is stopped, provision of the Scholarship will be terminated.
- (4) The Scholarship will be cancelled if it is discovered that any of the Application materials were incorrect.
- (5) The Scholarship will be cancelled if a Recipient does not come to Japan due to personal reasons after the travel restrictions are lifted.

14. Others (Cautions)

- (1) Recipient does not bear the responsibility to pay back the Scholarship except when the Recipient falls into one of the state listed in Article 13, in which case the Recipient may be asked to refund a part or all of the scholarship. Also, the Scholarship is in no way connected to the recruitment procedures, etc. of the Scholarship Donor.
- (2) Applicants must send in a notice without delay to JEES through their university when he/she decides to receive other scholarships. After receiving the selection result of the Scholarship Recipient, the Applicants must not decline for the purpose of receiving other scholarships.
- (3) Recipient must not apply for other scholarships during the scholarship period (except for scholarships starting after the scholarship period).
- (4) Those who have received this scholarship in the past cannot apply again.
- (5) Scholarship will continue in the case where Recipients study abroad using his/her university's program, if the period is less than 7 months and is not considered a long-term absence or leave of absence.

15. Handling of Personal Information

(1) Managing Personal Information

All personal information obtained from the application materials, reports, etc. related to the Scholarship will be managed, used and disposed of with extreme care by both JEES and the Scholarship Donor in accordance with the policy pertaining to personal information set forth by JEES. In addition, no personal information will be shared with any third-party without prior consent except disclosing to Scholarship Donor for the purpose of Article 15(2) a.~c. and e.

(2) Purpose for Usage of Personal Information

JEES and the Scholarship Donor will appropriately handle the personal information obtained through the application process for the Scholarship and only use it for the following purposes:

- a. Selection of Scholarship Recipients.
- b. Administration of the Scholarship payments to the Recipients.
- c. Contacting the Recipient for related ceremonies, exchange events, internships etc.
- d. Contacting the Recipient to share International Education Support programs/events organized by JEES and to coordinate with the Recipient if they choose to attend.
- e. PR related purposes by JEES or the Scholarship Donor upon receiving prior consent.
